What's under the hood? ... By Julie KBM, President

March already! Spring is just around the corner. Spring to me is always a fresh start, warmer weather and time to clean out. As the spring cleaning bug hits it's time to clean out the basement, shed or garage. Dust off the car, polish up the chrome and air up the tires. Don't forget to sweep out the cobwebs from under the hood. The engine compartment needs attention too. As you find old documents and memorabilia, keep in mind the Club history is stored at the Cline library at NAU and maybe you have an item or two to donate to the club for our raffle items.

Spring is a sense of change and things are changing in the club also. Watch the Website because there will be many new changes coming your way. I'm excited to be in the planning stages for the car show in conjunction with the Airport "Thunder over Flag" Airshow. Rumor has it the Friday night Cruise-In's will return in April again at Park Santa Fe (in front of Harbor Freight). John our Cruise Director is planning a cruise to the east with a stop at La Posada for some food, a stop or two along the historic Route 66 for history with maybe a private tour and a little shopping to help support the businesses on Rt. 66.

The issue with the PO Box has been resolved and please send in your forms and membership dues. If you had mail returned, sorry for the inconvenience, we are back in business and box is open.

Looking forward with anticipation to see more of you cruising the streets, meeting at the meetings live and virtual and most of all...Enjoying what we love the most, our cars! Keep those engines running, wheels rolling and show off those beautiful, unique and specials cars.

February 27th - Flagstaff History Cruise

It was a chilly but sunny February morning when club members were joined by other car fans on the route planned for them by John Borhek. Historical features of downtown Flagstaff were first on the tour, followed by a run up Mars Hill to the overlook (Lowell Observatory was still closed to the public). The views were SPECTACULAR.

The last scheduled stop was Walnut Canyon.

Thanks John Borhek for planning this event and Alan Saint Germain for the photos.

Historical points of interest:

NAU Old Main

Majerle's Sports Grill

Hotel Monte Vista

Coconino County Courthouse

Hotel Weatherford

Babbitt Building

506 W. Birch (Former CJ Babbitt residence)

Lowell Observatory

Old Route 66

Walnut Canyon

You know what's missing from these pictures? **YOU** if you have not yet renewed your membership. As we emerge from the last year of Covid cautiousness, there will be more and more chances to join together and enjoy each other's company and swap car stories. It's just not the same without **YOU**. An application is attached at the end of the newsletter. Please fill it out (listing your cars is important, too), and send it in. It's time for us to get....

Road

MARCH 27

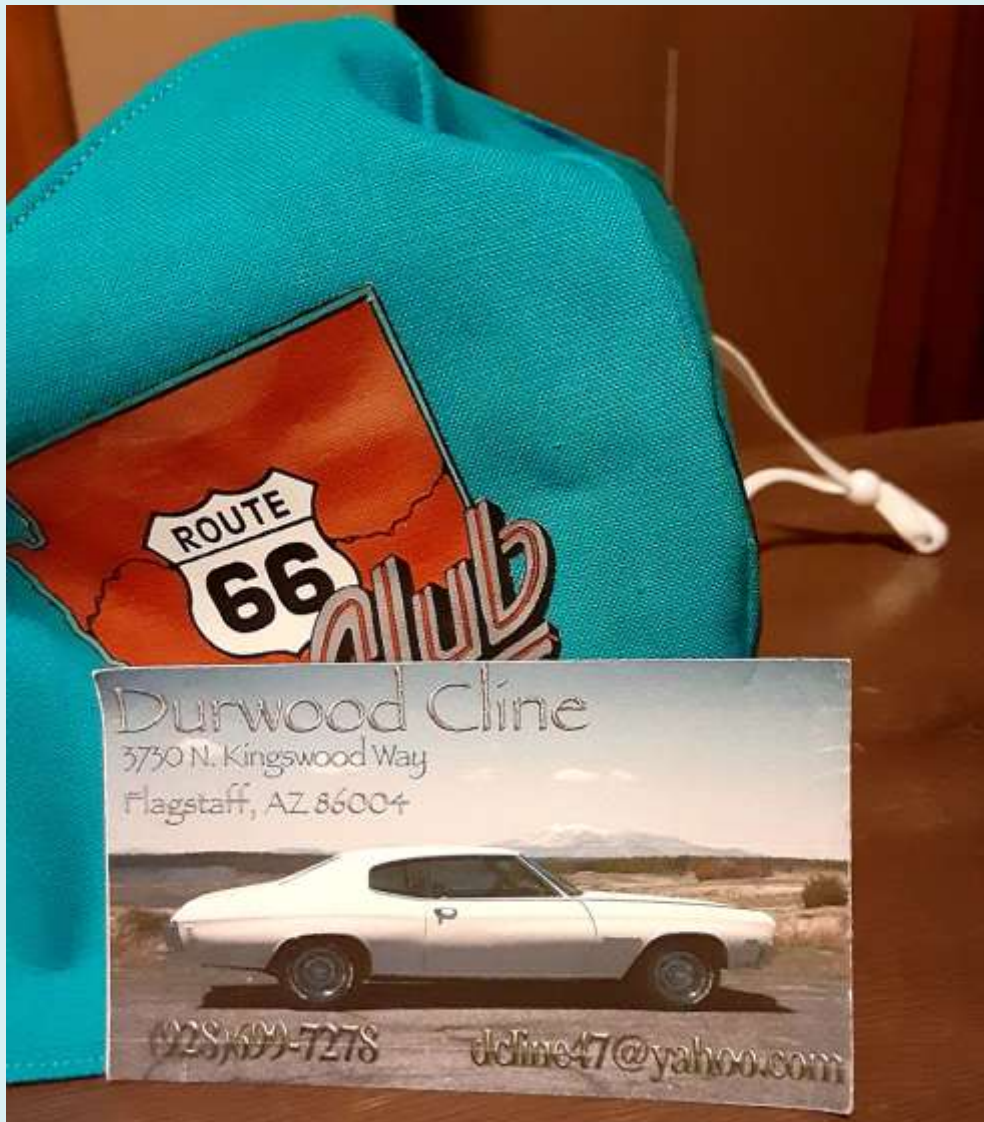

Thanks to The Cruisers for organizing this and to Alan Saint Germain for the photos.

Who is that Masked Man???

Before last year, who even thought of face masks as fashion statements, or a way to show support for a sports team, or celebrate a car club? Well, now we have the option of wearing our grills on our grills. Durwood Cline is making personalized facemasks for just \$10.00 each. Contact him for details. 928-699-7278 dcline47@yahoo.com
