# What's under the hood?

## News from under the hood...

August, is it really August? That means it car show time! Hey, hey it's **our car show, the Thunder over Flagstaff Air and Car Show**. Have your preregistered your vehicle? Are you volunteered to help at the show? Will you be a spectator? Any or all the above are excellent ways to be an outstanding member of what I think is the best car club around. Get involved, be active, help and support your club. You too can be a part of something bigger than oneself. Dig out and wear those name badges. Pull out the old club shirt or purchase a new one and wear it with pride to show off that you are a member of this awesome club, your club, the one and only **Route 66 car club of Flagstaff!** Not only for the show but also for the upcoming 2022 year.

Please consider becoming a bigger part of this club. To remain an Arizona Corporation 501 (c) (3) we must fill the officer positions. The Route 66 Car Club of Flagstaff has so much history, so much recognition in the car community and the northern half of the state, that we cannot let it just fade away into the beautiful Arizona sunsets. I'm begging you, fellow club members, come share the rewards with me before it's too late. We need YOU! Fill the open positions for the remainder of this year (term) and renew these officer positions for the upcoming 2022 and more. Come share the wonderful rewards and personal accomplishments with me. Become part of a special team and intensify those memories, be more than what you thought you could be and have fun along the way. Will you come join me in this adventure of creating our own future?

Need a club shirt? A new name badge? A window placard for your car? Let's show our pride in our club and represent at car events. Contact Julie KBM for information.

Speaking of representing.....Julie's car made the cover of the Sunday Aug 8<sup>th</sup> Daily Courier (Prescott's local paper), for the coverage of the 46<sup>th</sup> Annual Watson Lake Car Show.

# THUNDER OVER FLAGSTAFF

## IT'S SHOWTIME: AUGUST 28<sup>TH</sup>

The site is secured, the information has been spread far and wide. Pre-registrations are rolling in (approx. 70 at press time). T-shirts, dash magnets, and awards have arrived, and they look awesome. If you have not contacted Robert (928-527-6844) to sign up for a team, do so now. We can find a spot for anyone who wishes to help. This is our club's premier event of the year.

The last show (2019) was a success. This year is looking to be a **BLOCKBUSTER.**

Those already working on a team, check with your team leader for the time you should show up at the airport, The gates open FOR US at 6:00 am. If you are entering your car in the show (Class 13), you may drive it onto the show field at that time. **Parking at Ft. Tuthill, which was the previous location given to us by the city has been changed. If you are driving a non-show car, you MUST park at the NAU South Parking Lot. A shuttle will be running to take people back and forth. There are no exceptions.**

## SCHEDULE

**6:00 am** - Gates open for us. The Opening Team will be there to set up tables and tents. The Parking Team and Registration Team stand ready.

**7:00 am** - Club Members who are not involved in the 6:00 am set up arrive.

**8:00 am** - Gates open to the public. We all know the cars are going to be lined up and waiting. Parking and Registration Teams will be BUSY.

**10:00 am** - Registration closes.

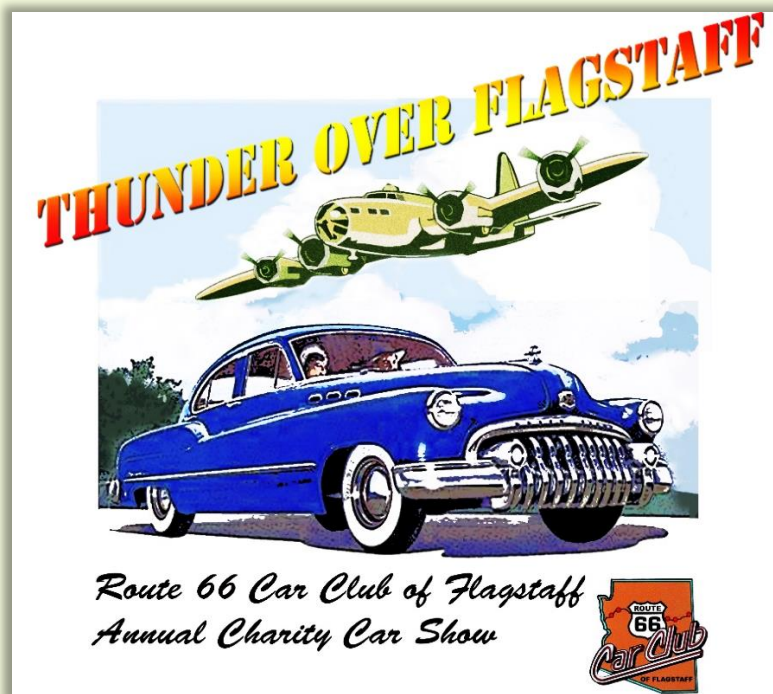

Rest of the morning - raffle sales, 50/50, T-shirt sales, etc. will be on going.

**12:00 noon** - End of participant voting - Tabulation Team swings into place. We will need runners to help get the ballots to them.

**Afternoon** - Door prize and raffle drawings and awards, followed by clean up.

We always need people to help with raffle and t-shirt sales, and to let those who have been on the front lines a break. Wear your aqua green shirts and name tags so our guests will know you are there to help. We are all representing our club and our town. Security, public relations, and community outreach are everyone's job. *Let's have a GREAT SHOW!*

### Show Sponsorships –

Thanks to the efforts of our members, sponsorships for the show are rolling in. Do you know a company that would be interested in sponsoring our show? Nothing is lost in asking. Thank you to NAPA , Route 66 Fabwerks, Hagerty Insurance, Auto Zone, O'Reilly's, and RockAuto.com. We are proud to have you as our partners

# Route 66 Car Club Picnic

## July 25<sup>th</sup>, Sunday

Julie and Rich Metzner opened their home to us for the picnic. It was a great venue, and the weather played nice! I think we had the only non-rainy day on that entire week. Wonderful food and even better company. We had several new members join us and it was a nice way to welcome them into the club. Thanks to everyone who contributed to the awesome pot luck spread, and to our chef du jour. One of the positive lessons from 2020, the "year of anarchy", as I call it, is we have learned how to pivot when situations change at the last minute (in this case, the smoke from the fires post poned the picnic), make things work, and have fun doing it.

Thanks to Adriana for the extra photos.

## *Flagstaff Cruisers Drive to Long Valley*

**Aug. 21<sup>st</sup> - Saturday**

It was one of those days when everything fell together perfectly. The Flagstaff Cruisers put together a super cruise to Long Valley. At my count. There were 30 cars in the convoy, encompassing members from all the car clubs in the area. Cars ranged from Model As to modern sports cars, with everything inbetween.

We went at the Westside Walmart parking lot and proceeded down Lake Mary Road, which is one of the prettiest drives in the entire state. It did not disappoint. The sunflowers were out, the sun was shining, and there were just enough clouds to keep the temperature comfortable. Once at our destination, we partook of the food trucks and a lovely place to rest and visit before heading back to Flagstaff.

All along the way, other drivers, of cars, side by sides, and bikes, both motorized and leg-driven, gave the parade of power thumbs up and big smiles. Thanks to the Cruisers for organizing a perfect day for us to enjoy our cars and the fellowship of other like-minded motorheads.
