Happy Fall, Ya'll

John Baker – Car Guy and Gentleman

The Flagstaff car community lost one of the nicest members of our group with John's passing. His smile and warm greeting, often delivered with a twinkle in his eye, were widely known and always appreciated. He was an anchor at the Freddy's cruise ins, and he was often the first person to greet newcomers. How could one resist his smile and easy manner? My son called him "The forever teenager" because John was just that way – loving life, loving cars, and loving people. He will be greatly missed.

Robin Moore wrote this about him. It is a wonderful tribute.

At the end of our lives what really matters is not what we bought, but what we built; not what we got, but what we shared; not our competence, but our character; and not our success, but our significance. Our friend John has lived a life that matters. A life chalked full of love, joy, compassion, and service. Husband, father, grandfather, friend, and mentor. A Navy man who loves his country to the core.

Thanks John, for your friendship and your imprint. ~ Robin Moore

A celebration of John's life will be held Sun. Sept 26th at the Raymond Park, Kachina Village, from noon until 10 pm. Food is provided. All are welcome.

Cruise on, John. Cruise on. We all miss you down here.

What's under the hood?

By Julie KBM, President 928-699-5804 or rt66julie@gmail.com

September is the beginning of autumn. One of my four favorite seasons. Oh, the beautiful colors, the reds, the oranges, yellow and even purples mixing with the greens and browns. Wow. Sounds like were at the car show discussing paint schemes. As the leaves change, so is the club. Have you seen the website? Route66CarClub.org. Jump on, take a cruise around, use the events page to check for what's happening. Admire the members' rides and if your car is not shown maybe you need to get the photo to Doug. It's a new look and a new attitude. It's keeping with traditions yet moving forward.

So, too is the club evolving. Ever changing to meet the needs of today and a balance of the past. Bylaw revisions to streamline the Board of Directors and Officers, allowing us to run more efficiently on fewer people are offered for your reading and approval. New ideas and events to come your way, along with the past favorites. Speaking of Events, the October club cruise is **Sunday October 17th, 2021**. A cruise up to Snowbowl to enjoy the fall colors and the views from the top. The club is raffling two free tickets for the chairlift ride to the top. So don't miss the next meeting, you could be the lucky winner of those chairlift tickets. Remember the raffles are one of the ways we support our charities. Your donation of raffle items and the sale or purchase of the raffle tickets are one of many ways to support your club. You can be sitting on top of the world.

Nominations for the Board of Directors will take place after the October Bylaws vote. Is there a position you have an interest in? Do you want to do more for your club? Please contact me to discuss the many ways you can help and be a greater part of the whole. This is your club. Your Route 66 Car Club.

Without "U" we would just be a cl_b.

Proposed By Law Changes

All members were e-mailed the proposed changes to the bylaws. Please refer to this if you have not already done so. The parts that will be removed have a strike through and the parts that are being added are highlighted in yellow. The changes will allow the club to function with the Board of Directors also being able to hold a position as an Officer. This change will allow the club to run with less members being required to run for officer positions. The changes will also allow the Board of Directors to hold an Officer position and if so, chosen they may in addition hold a volunteer position.

Please review the changes. An absentee ballot is also included here in case you are not able to attend the general membership meeting on October 13th, 2021.

After the vote is counted, nominations will begin for the positions for the year 2022.

Feel free to contact me if you have any questions. Thank you, Julie.

THUNDER OVER FLAGSTAFF

A “thousand word” picture. What a great day for a car show.

The cars rolled in, the crews rolled out, and the show was a success by all measures. Congratulations to show chair, Robert, and club president Julie. Job well done, guys.

August 28th was a perfect day for a car show. Warm but not hot. Partly cloudy but not completely overcast – well, until the afternoon when the monsoon reminded us it was not quite ready to fly south for the season, yet, even at that, the sprinkles were light, despite the dark skies and rumbling thunder.

Attendance came in at 125 cars, besting 2019’s numbers by 25%. A healthy amount of \$2,400.00 (approx.) was raised for our charities, and the nearly unanimous feedback from participants and spectators was positive. Cars from all Flagstaff clubs attended, and members from the different clubs helped make a great day for all. Thanks to all who attended, presented cars, and pitched in to make this a success. Special thanks to our sponsors and financial supporters, who went the extra mile to support the car community in Flagstaff.

OK. Enough talk – here are some photos from the day.

A seriously big plane.

Take one gorgeous quilt, add one gorgeous raffle ticket salesperson, result? One happy quilt raffle winner.

Speaking of winners....
here are ours.

Look at all those happy smiling folks! Little would you know they were under a black, noisy, rumbling thunderhead. Cropped out of the shots are the "ground crew" members quickly packing up the show gear and dismantling the tents before the heavens could cut loose on our heads. Congratulations to all our winners, and entrants. It would not be a car show without you.

Show Sponsorships –

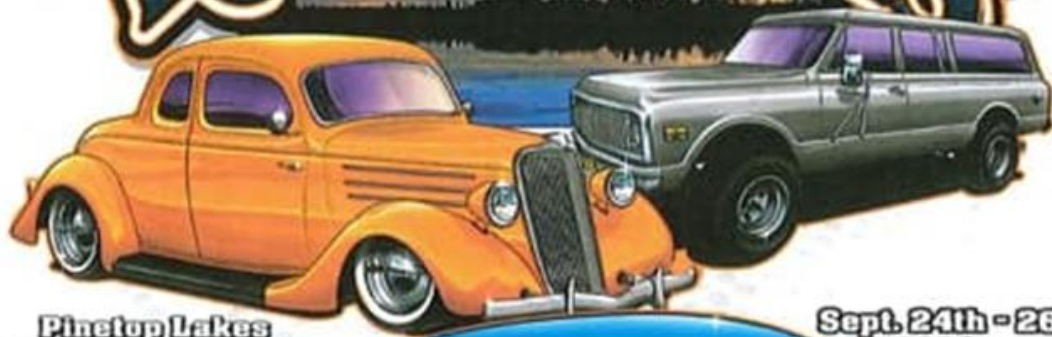

Thank you to NAPA , Route 66 Fabwerks, Hagerty Insurance, Auto Zone, O'Reilly's, and RockAuto.com. We are proud to have you as our partners.
