Dear Readers: In early December, my computer suffered a serious crash. Literally. It was pushed off the desk by a cat. There was a back-up, but there were issues there, too, and so the last few weeks have been spent getting a new computer up and running, as well as trying to recover as many files from the old one as possible. I am still working on recovering the past two years. I am also learning a new computer and operating system (Windows 11 is coming - you are warned). This month's newsletter is delayed and abbreviated by these events. I don't have all my usual programs up and running just yet. Photos of the December events will have to wait until Jan. I am afraid. This means there is still time to get any December event photos to me. Hint, hint. Thanks for your understanding.

Suzanne

Without each of you, we would not be such a wonderful club.

Dues are delinquent after Feb. 15th for renewing members and membership privileges are suspended after that date. **Don't miss out on any of the FUN we have planned for 2022. We would miss YOU if you weren't along for the ride. Bring a friend along, too. Let's GROW this club this year. It's always more fun with friends.**

Happy Holidays to all, in whatever manner you celebrate. May you be surrounded by loved ones and enjoy the warmth and joy of the season.
