What's Under the Hood?

By Julie Klein Metzner

Hello and welcome to 2022. Hope this finds you happy and healthy in this New Year. As a club our focus this year is to find a Membership chairperson and increase our membership through the four pillars with which this club was built. I like to call it the 4 C's: Cars, Community, Charity, and Chuckles. You still have time to get your renewal dues paid at the \$35.00 rate. In February it goes to \$40.00.

We should have the club calendar of events finalized very soon for those who like to plan ahead. This will give the dates of all club meetings, club cruises, our own car show dates along with other Northern Arizona car shows. Our calendar will be shared with the other local car clubs and their information will be combined in one easy presentation. It will be available in 3 forms for those who like the last minute what's happening kind of thing. It will be published on the Website at www.Route66carclub.org, month by month in the newsletter and upon request a printed copy for you to take home with you.

Again, thank you for being a member of this great club. You make this club what it is. I'm thankful for being a part of it. Thank you for letting me make memories with you. For the laughter, the tears, the sweat, the trials and tribulations and the gift of getting to knowing you.

Sincerely,

Julie

How many guys does it take to check a spark plug wire?

Guest Speaker:
John Lutz

Jan. 12. 2022

John Lutz was our guest speaker at the January general meeting. John is the moving force behind the Flagstaff Auto Museum and C.A.R.E.S. (the Classic Automobile Restoration and Education Society.). John is well-known to most of us in the Northern Arizona car community and is also a local musician, graphic artist and classic car photographer who has been inspired to share and preserve classic automotive Route 66 culture as a living history of mechanics and art in motion.

The mission of the museum is to provide a nexus for the car community to intermesh with the larger Flagstaff community via the commonality of history. As stated on the website, "The museum will house a classic car restoration garage to provide cosmetic and mechanical restoration work to exciting classic cars, and will also provide apprenticeships, scholarships, classes, and educational programs to local youth. Their main goal is educating and training the next generation of classic car tradesmen and craftspeople, and to be a part of the growth of the local car community in Flagstaff. The website further defines the desire that the programs at the museum and garage also serve as an inter-generational bridge, bringing more senior expert mechanics and skilled tradesmen together with today's youth and elderly populations to rescue, restore, preserve, and enjoy our shared heritage of classic automobile treasures for generations to come."

The Flagstaff Automobile Museum, the garage project, and the C.A.R.E.S. organization are actively seeking corporate sponsors, private members, and volunteers to help make these projects a reality in 2021 and beyond. John spoke to us in detail about his ideas for the project as well as how each of us can contribute to its fruition.

According to John, recent article in the Arizona Daily Sun, ([Revving up a dream: Local seeks to build car museum in Flagstaff unlike any other | Local | azdailysun.com](#)), generated a tremendous interest in the program, and it is moving forward with ever-increasing momentum. Information on how to donate, become a board member or sponsor, and become involved in all aspects of this can be found on the website, as well as details on the Flagstaff Auto Museum's First Annual Winter Gala coming up on the evening of Saturday, Feb. 12th, in the Flagstaff Little America Hotel & Ballroom's Grand Ballroom, which will honor a long-time local car collector.

C.A.R.E.S is a 501c3 organization. More information can be found on the website. <https://flagstaffautomuseum.org/>

Ladies' Christmas Luncheon

The ladies met at Little America's Silver Pine restaurant to celebrate the season and each other's friendship. These are the things that remind us that the club is about more than cars.

Thank you, Adriana for the photos.

2021 Christmas Party Dec. 5

Club members gathered to celebrate the season and enjoy each others' company at the annual Christmas party. The scrumptious spread of delicious delights were provided by members. Who knew so many of us were such good cooks? Fabulous prizes were raffled and then the slot racers came out.

WHAT FUN!

2021 was a little better than 2020, but it was not without sharp turns and speed bumps. There were even a few potholes along the way. Despite all this our club members have had fun sharing our love of cars, each other, and food.

A special thank you to Shirley and Alana for their extra work in making this event a reality.
YOU LADIES ROCK.

Thank you, Adriana for the photos.

Flagstaff Holiday Parade of Lights Dec. 11th

Club members represented us at the annual downtown parade despite the brrrrrr cold temperatures. A special thanks to Sallie Page, our very own "Christmas Angel" who sponsored the club's entry.

Ice Cream Social Cruise

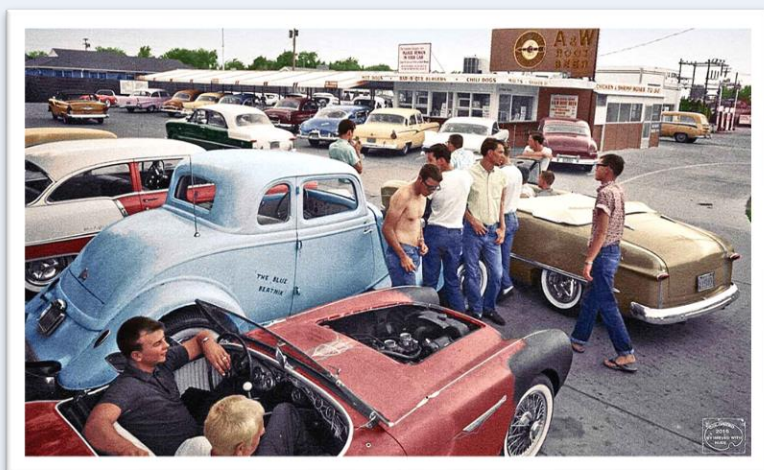

Nov. 28

What to do on an unseasonably warm day in November? Eat ice cream, of course. Thanks to the organizers at Highland Rods and Rides for coordinating this for us all. It was so nice to have a late in the year get together.
