# What's Under the Hood?

*By Julie Klein Metzner*

Greetings members. I would like to thank you for renewing your membership with the Route 66 Car Club of Flagstaff. Each member is important to the success of this club. Yes, you are an integral part of this club, and we've said it too many times to count. **Without you there is no club!**

If you are anything like me the months of February and March are exciting, full of all the ideas and plans I would like to personally implement for this year. I always look forward to spring and really bringing the car out of the garage for the season. I sit with my calendar and fill in the dates of my favorite car shows to attend, mark off dates for vacations and special dates for friends and family. Next is to fill in meeting dates for me and Rich. If you know me, you know I'm a planner. Then I look back or glance ahead and think wow I've planned a lot of stuff. Some old favorites, some new adventures and some just because. This year the club has standardized many of the club events for easy of remembering and to simplify what's happening and when. Please take advantage of the combined calendar of event on the website <https://route66carclub.org/> for the latest news on the events. The newsletter will give you the information for the next month or two in advance. Meetings are always the 2<sup>nd</sup> Wednesday of the month, and the club cruise is the 3<sup>rd</sup> Saturday of the month. The website is always being updated. Be on the lookout for the new/ renewed Facebook coming your way.

Again, this club is not a club with you. We are always in need of helpers and assistants. The membership chair position is still open, and we need people who want to be involved. You can volunteer a little or a lot, but you are always welcome. Grab a board member and let them know you want to do more, and we can explain the many ways you can do and be more within the club. Looking forward to seeing you more this year.

Sincerely, *Julie*

# In Memory of Cecil Gary

We were all saddened to learn of the passing of long-time member, Cecil Gary. Many of us attended Cecil's 90<sup>th</sup> birthday celebration and remember the many years he and his beloved wife Lela participated in club events, as well as their driving their '34 Ford around the country for other car events. Lela passed last year. Lela and Cecil were beloved by many in our community. The following obituary appeared here and is reprinted for our readers. <https://www.azcentral.com/obituaries/par057731>

*Cecil Gary, age 91, was born March 12, 1930, to James and Ardella (Bonham) Gary, in Casa Grande, AZ. Cecil lived in Maricopa until 1943 on a 160-acre homestead of his fathers. He moved to Phoenix because of the war- World War II, where his father was employed by the Bureau of Reclamation. Cecil served two years in the United States Army during the Korean Conflict. He married Lela Davidson on March 30, 1953. They were married 68 years at the time of her passing in June 2021. They ran Davidson Hardware Store and Lumber Yard and an adjacent motel until retirement to Sedona. They also owned and operated multiple housing complexes. They enjoyed many cruises and visits to foreign countries. They retired to Sedona over 20 years ago. They attended Bethany Bible Church while in Phoenix and Rock of Ages Lutheran in Sedona. They enjoyed many hot rod runs with "Route 66 Car Club" and "Arizona Street Rod Association". Cecil started building hot rods with a 1931 Ford Model B. Currently he has a yellow 1934 Ford 5-window coupe, that they spent many days traveling all over the U.S. with great friends. Cecil is survived by one sister Elenora Dyer of Boise, ID. One niece, four nephews, and many grand-nieces and -nephews. Funeral Services and celebration of his life will be held on February 16, at 1:00 PM at A.L. Moore-Grimshaw Mortuary Bethany Chapel, 710 W Bethany Home Rd in Phoenix, AZ.*

# FLAGSTAFF AUTO MUSEUM WINTER GALA

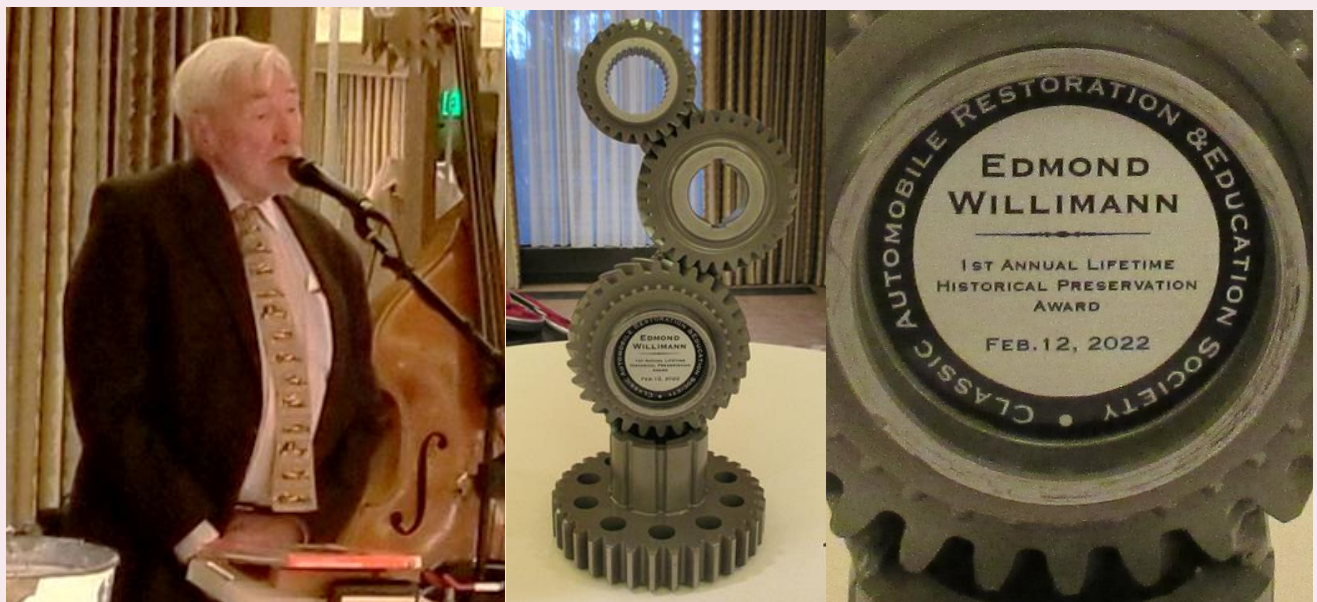

Several members of the club, along with other community members united in a desire to see an auto museum in Flagstaff, attended the first Flagstaff Automobile Museum Winter Gala held at Little America Hotel's ballroom on February 12th. The guest of honor and recipient of the Lifetime Historical Preservation Award was Edmond Willimann, who has a remarkable collection of cars, including one of the first Ferraris made. The award, made of interlocking gears, was the handiwork of club member Kevin Jensen.

The room was filled with people dedicated to the goal of bringing an auto museum to Flagstaff to not only feature rare cars such as Mr. Willimann's, but to promote the role Flagstaff has played in the history of Route 66 and provide a conduit for all ages to connect through vehicles. A silent auction raised money towards this goal.

Everyone had a wonderful time, and it was great to see people dressed up in something other than car clothes. We manage to clean up nicely when the occasion calls for it.

The museum along with its partners, the garage project, and the C.A.R.E.S. organization, are actively seeking corporate sponsors, private members, and volunteers to help make these projects a reality in 2021 and beyond. Information on how to donate, become a board member or sponsor, and become involved in all aspects of this can be found on the website.

C.A.R.E.S is a 501c3 organization. <https://flagstaffautomuseum.org/>

## Silent Auction Items

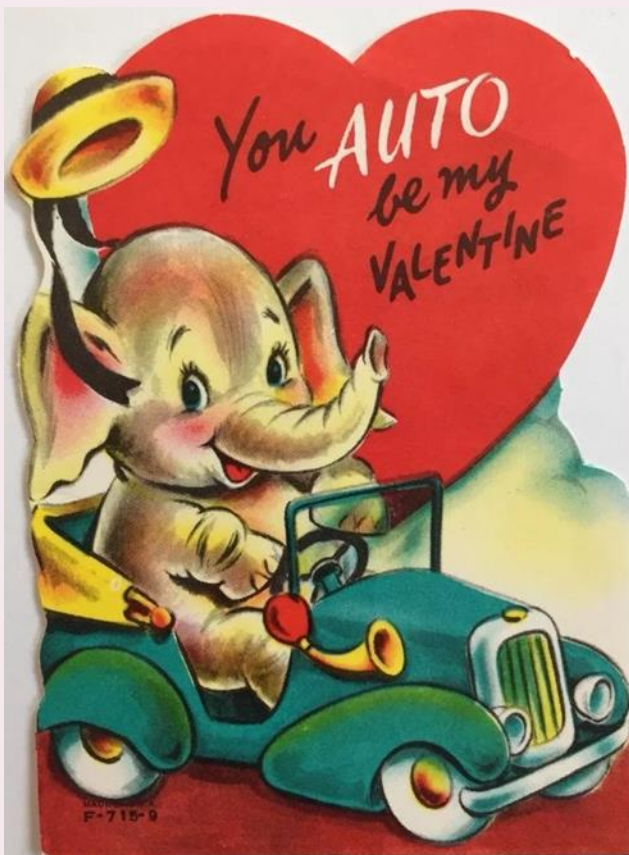

Remember the Valentine's Day cards we used to give out in school?

Who knew parking spaces and clutches were so romantic?

Hope everyone had a great day with their loves, both human and vehicular.

This is why we do what we do, folks. Well, and to have fun. Thanks to everyone who helped raise money for our 2021 charties.

No words to describe these men putting up a tree at The Mission. The story behind this would blow you away. New memories celebrating Christ's birth.

So much has happened this past year at Hope Cottage, The Mission and now Sanctuary House. I stand in awe at the power of the relentless love of God, a community of support, laughter, acceptance, forgiveness, peace, safety. Hugs... huge! **Thank you for stepping with us into the messiness of shattered lives to say, "God has a better plan, look up, take my hand".** It is life-giving to watch people find their unique purpose, embrace dignity, set aside the old and walk into their true destiny. Ending homelessness is relational. Thank you for loving others with us in 2021! We are launching healing and recovery in 2022 like never before. We believe it will spill out into the city! Stay involved! It's an awesome calling.

Route 66 Car Club

Dear Route 66 Car Club,

Thank you for your gift to the Flagstaff Family Food Center! ***This year, we are celebrating our 30th Anniversary. We are honored to have served our neighbors in need for the past 30 years - and we could not have done it without the help of supporters like you.***

Over 30 years ago, local businessman and philanthropist **George McCullough** would give his business card to anyone on the street who needed some help and tell them to head over to the Grand Canyon Cafe for a hot meal and use his card as payment. At the end of the month, he would square up the bill with restaurant owners, Fred and Tina Wong. McCullough's generosity became well-known around Flagstaff and eventually evolved into a soup kitchen, first opened in the basement of his church. ***More and more community members became drawn to the mission of feeding those in need, and on Christmas Day 1991, the Flagstaff Family Food Center officially opened its doors.*** We have not missed a single hot meal at our Kitchen since that day.

As you know, the ongoing COVID-19 pandemic has hit our most vulnerable neighbors - including seniors, children, and hard-working individuals who have lost their jobs - especially hard. We have seen a sustained increase in the need for food assistance for the past year, and we expect that need to remain high for many months to come. As you can see, your support now means more than ever. ***Together, we are providing over 3.5 million meals to families each year*** - and helping our most vulnerable neighbors make it through these difficult times.

Thank you for your support and partnership in feeding our community!

With gratitude and best regards,

J.B. DeWitt, Interim Executive Director
