News From Under the Hood

by Julie KBM, President

The news is . . . Summer Is Here!

I do believe the winter and cold has passed and it's time to bring those beautiful vehicles out of the garages. So many events are taking place with two or three things each weekend.

It is the season of choice.

What car do I drive today? Where shall I go? Maybe a Cruise, long or short? How about a car show, close to town or farther away? Could the choice be the club BBQ/Potluck? Maybe it's the informal Friday night Cruise-in? What about our own club cruise to Pine? I always enjoy that drive. Such beautiful scenery and diverse landscapes. Will you be entering a vehicle in the 4th of July Parades? Check our website for the latest events, Route66CarClub.org or read the newsletter for the dates of events and flyers for more details.

Whatever your choice, make it wonderful! Make memories or try something new. Let's rev up those engines, air up the tires and fill your summer with Family, Friends and Fun and a bit or a lot of the Route 66 Car Club.

Sincerely, Julie

The Flagstaff July 4th Parade

Jack has stepped up to be our parade chair, and we need people to step up to support him by driving their cars in the parade or to assist in other ways - such as carrying a banner. It is a well-attended parade and is during the day. Decorating for this parade is easy, fun, and patriotic. Contact Julie or Jack for details.

Route 66 Car Club Summer BBQ/Potluck

Join us at Bushmaster Park - Alta Vista and Lockett Rd at the South Ramada. Club provides the tableware, drinks and the main course, Hot dogs, hamburgers, and brisket. You bring the sides and desserts.

Sunday June 26th, 2022, from Noon - 2:00 PM

\$8.00 per person or \$15.00 per couple (two per household or member and guest)

The 2022 Route 66 Car Club of Flagstaff 3rd Annual Charity Car Show at Thunder-Over-Flagstaff

AUGUST 27, 2022

Fliers and applications forms are on our website and are included at the end of this newsletter. We need people to sign up for parking, registration, raffle sales, and more. Each year, our show gets bigger and better. It's because of YOU that it does. Contact Robert (show chair) or Julie KBM for information on how you can be part of this great event.

We also need members to spread the word about the show. If you are going to another car event, take some fliers along with you to hand out. We have a Friday cruise planned. We have an expanded slate of classes this year. We have space for 250 cars – let's make it a full house.

Did you know NAPA offers a discount to anyone working on a project? Just go to the store on Butler and ask them about the Hot Rod discount!

A shout out to Bryan Aquino. He's a new member and is an avid photographer. Bryan has offered to become our club photographer, and some of his work is shown in the cruise article. (Hint: his are the good ones). He has more photos of the events he's shot for us. If you are interested in seeing what photos he has of your car, purchasing these from him, or setting up a private photoshoot, contact him at white.stetsonphotography@gmail.com

May 21st was a gorgeous day for a cruise....or car show....or both! Some club members opted for our club's monthly cruise. Others went to the Flagstaff Cruisers' show. ONE went to both. Here's a run down of those events.

APRIL CLUB CRUISE: WINSLOW, RT. 66, AND LA POSADA

Photos by Bryan Aquino, Suzanne Edmonds, and Julie KBM.

A better day to take the cars out on a long drive could not have been found. Club members gathered at the meeting spot and headed out for a cruise to points east, including Two Guns, The Jack Rabbit Trading Post, lunch at La Posada and dessert at The Root Beer Stand.

Our cruise meetups are becoming popular with the public who see the cars and stop by to see what's going on. It's a terrific way to introduce new people to the fun the car community has.

First stop was the site of Two Guns, which has a rich history involving romance, partnerships gone wrong, and even murder. Gee...sounds like a Humphrey Bogart movie....Sean Evans always brings the stories to life for the rest of us.

Then it was on to the Jack Rabbitt Trading Post in Joseph City.

On to La Posada, with lunch at The Turquoise Room. Always a fabulous meal.

The officers in the club, all in one place at one time.

Our last stop was to The Root Beer Stand, a Winslow mainstay for decades that was recently featured on Hometown Kickstart, an HGTV show.

Fantastic rootbeer and the people there are so nice. Stop in next time you're in Winslow.

A great day of fun, food, friendship, and fuel vapors. If you haven't joined us on a cruise, please consider doing so. We would love to have you come along.. Thank you, John, for creating another fabulous trip for the rest of us.

Flagstaff Cruisers Annual Charity Car Show

The Flagstaff Cruisers Annual Charity Car Show fell on the same day, and some of our members joined with our friends in the Cruisers Club for this event. This is always a fun show and supports a great cause. Thanks, Alana, for the photos. It looks like a perfect day for a car show.

As summer car season heats up, most of us have to choose between several events. Sometimes I really wish I was twins. Or that cloning was an affordable alternative. We can't be two places at once, right?

Well... maybe you CAN be two places at once, sort of. Matt Mirabile entered the show and still joined us for lunch at La Posada.

To top it off, his Cobra won a trophy for Best Import. Way to go, Matt.

Doney Strong Food Truck Round Up #1: June 10th

It rained, it was wonderful, and the first of the summer's Doney Park food truck events was a roaring success. The next one is July 8, at the Silver Saddle x Highway 89 corner.

Personal note: Doney Park residents have had a rough spring. In April there was the Tunnel Fire, which forced hundreds to evacuate, and caused the tragic loss of several dozen homes. As I write this, we are weathering an even larger fire, the Pipeline Fire, and its pesky little brother the Haywire Fire. The food truck event fell after the first fire, and just before the later two. It demonstrates the spirit of those of us who live out here in the wind tunnel, the dusty Doney.

We were in GO status again, and managed to get 3 cars out while we were in SET mode, before the road was closed. Thank you to everyone who has reached out to us and to this community. Two 20,000+ acre fires in 6 weeks is tough, and we all know the flooding that is likely this summer. Your support of the Doney Park events means more to the folks out here than I can say. Thank you. S.

7th Annual Williams Historic Route 66 Car & Truck Show: June 10-11th

This has become a huge show, one of the biggest in Northern Arizona. It's big, rowdy, and lots of fun. This year several club members attended, either with cars or as spectators. It was warm and the variety of cars, trucks, and "other vehicles" was astounding. The crowd appreciated them all. Here is a small sampling of the vehicles that lined the streets of Williams.

Friday Night Cruise-In

Friday Night Cruise-Ins are getting bigger with each passing summer week. If you haven't joined in the fun, what are you waiting for? Upwards of 50 cars are showing up, and it is an ever-changing group. You never know what's going to pull into the parking lot.

Everyone and everything is welcome. Come on down and join us. Bring a chair to sit in, a sweatshirt if it's cold, and a hat if it's hot. If you've avoided crowds for a couple of years, this is a nice way to get back into the swing of things. It's at the Park Santa Fe parking lot (in front of Harbor Freight), and starts at 5.00 pm and runs until dark. Please remember, no burn outs, peel outs or other displays of power. We like meeting at this place and want to be good neighbors.

Attention Mustang Owners.

Good morning, Route 66 Car Club of Flagstaff,

My fiancé & I are doing a route 66 Road trip for our honeymoon in August.

We are going to take post-wedding photos on route 66 in flagstaff & wanted to know if any of your members had a 60s mustang that we could take pictures with on Aug 15th, 2022?

We have both loved classic cars and trucks but in January of 2021 I proposed at the Grand Canyon and then we took Route 66 from Flagstaff to Kingman and knew Route 66 was a road trip that we wanted to do. We have been doing a lot of planning and are extremely excited to travel all of RT 66 in one trip!

Thank You – Lucas Stimach Lucas Stimach lstimach@comcast.net
