News From Under the Hood

by Julie KBM, President

OCTOBER IS HERE AND IT BRINGS NOMINATIONS . . .

It is a busy month, and we need to fill our officers and voluntary positions. I am stepping down as President and we need to fill all the positions. A few people have stepped up, but we still need you! For the club to continue, it needs the members to be involved. If no one is involved, we have no club. Please consider getting involved to keep the club going. Being nominated is a formal term for volunteering. I have volunteered for approximately 5 rewarding years. I have loved all 5 of them. When I started as membership director I asked, what do you get for being a member? I was told, "You get from this club what you put into it." At first that did not make sense to me but as I became more involved it became quite apparent to me that it is so absolutely true. What does this club stand for? What is our purpose? Let me remind you.

1. Promote interest in automobiles and to encourage members in the acquisition, preservation, restoration, exhibition, and touring of older vehicles.
2. Support our community through active participation in local events.
3. Participate and contribute to charitable events/causes.
4. Have fun by participating in various social events with our club friends and family.

Will you please become more than just a member? Will you say, yes, I want to help keep this club going? Please speak up and put your name down. Consider being an officer, President, Vice president, Secretary or Treasurer. Maybe a voluntary position as Membership Chairperson, Newsletter Editor, Cruise Director, Historian or Webmaster. All of these are critical to keeping this club going. I said it a thousand times, "CLB" without you (U) there is no club.

It is also time to take nominations for the charities that will receive our donation money this year. Do you have a charity to add to the list.

Contact me by October 26th to get on the ballot. For the November Meeting 11/9/22 is when we Vote.

Sincerely, Julie

It would sure be a treat to have you on the team.
Won't you join us? We have a spookily fun time.

Men's Health Event at NorthStar Medical Offices Sept. 17

GREAT weather, blue sky, warm sun, and a great cause brought out club members to support the NorthStar Medical Office's Men's Health Care Fair. As we either ARE men, or love them, this is an event close to all our hearts and it is great to be able to support it again.

27th Annual Just Cruis'n Car Show

Winslow Sept. 30-Oct. 1st

Thanks for the photos, Teri, and congrats on your first BIG show. It's all about the fun. Speaking of fun, these two wild and crazy guys, Jack and Robert, always represent the club, and the spirit of the car community so well. Thanks, guys. Congratulations on the award, Jack, and Robert, awesome leiderhosen.

Additional photos: Kathy Berlyn.

Meanwhile, on the same weekend in the other direction on I-40 in Williams....

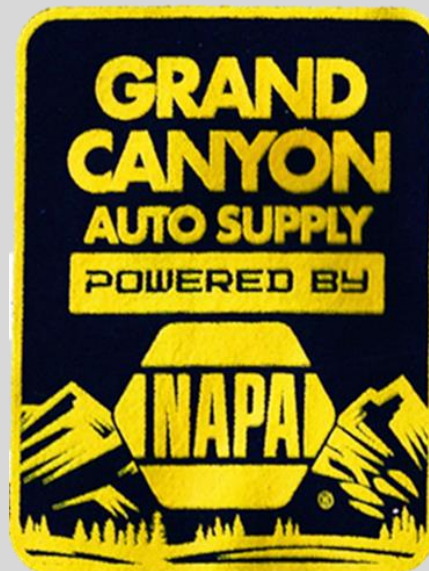

The Route 66 JDM Classic

The show is for Datsun/Nissan, Honda/Acura, Toyota/Lexus, Mazda, Subaru, Mitsubishi, Isuzu – or even vintage Japanese motorcycle 1997 or older. JDM stands for Japanese Domestic Market.

Here are our 2022 car show sponsors.

Their support is crucial to making the show a great one. Thank you, NAPA, (Grand Canyon Auto Supply), Quality Automotive, Route 66 Fabwerks, Copper State Earthworks, Mother Road Brewing, and White Stetson Photography for supporting the classic car community in Northern Arizona, the Route 66 Car Club of Flagstaff, and the local charities we, in turn support.
